

# GOBLET Technical Task Force Update

Manuel Corpas

- Aidan Budd
- Allegra Via
- Erik Bongcam-Rudloff
- Manuel Corpas
- Michelle Brazas
- Mick Watson
- Patricia Palagi
- Rafael Jimenez
- Susanna Sansone
- Terri Attwood
- Vicky Schneider

Who

**Before Elections**

# Training portal

This portal allows you to browse our course pages and training materials, and to download content of interest. For GOBLET members, the portal also allows *uploading* of course pages and training materials. If you would like to know how to upload **your** training materials and courses, please [join us!](#)

List of training materials and course pages

Displaying 1 - 18 of 18

Updated date ▾	Type	Topic	Audience
Bioinformatics for MS analysis <i>Updated 1 day 6 hours ago</i>	Training material	bioinformatics, identification, mass spectrometry	
Linear Motifs and Phosphorylation Sites <i>Updated 2 days 7 hours ago</i>	Training material	bioinformatics	Biologists, bioinformaticians, biocurators
Next Generation Sequencing (NGS) wikibook <i>Updated 2 days 17 hours ago</i>	Training material	next generation sequencing, NGS, bioinformatics	Biologists, computational scientists, bioinformaticians

# Membership features

- Membership page all up to date
- Members can renew with their username
- New members can make payment through PayPal
- After users are created, members can update/complete their profile

# Training and Organisers

- 19 people entered data

# Frequently Asked Questions

## About us

- [How to add a new publication](#)

## Training portal

- [How to create a new trainer, organiser or administrative contact](#)
- [How to create a course page](#)

## Website administration

- [How to advertise a bioinformatics event in our website](#)
- [How to send/receive mails from my mygoblet.org account](#)
- [How to create a mygoblet.org mailing list \(group\)](#)
- [How to create a mygoblet.org e-mail address](#)
- [How to disable a slideshow image](#)
- [How to add a slideshow image in the front page](#)
- [How to assign new roles to an existing users](#)
- [What user roles are available in the website](#)
- [How to create a new user account](#)

### How to add a new publication

1. Find the publication Pubmed ID. i.e. 23742982
2. Open ... <http://www.mygoblet.org/node/add/biblio>
3. Click on "PUBMED LOOKUP", paste the Pubmed ID and click on "Populate using PubMed"

# Achievements

- Update drupal modules (~7)
- Update website content
- Fixed bugs
  - Non-published content and empty notifications
  - Workaround for adding image to courses bug
- Addition/administration new GOBLET Members
- Discussions/meetings TeSS/ELIXIR training portal
- Hosting/general admin

Title	Last updated	Priority	Status	Type	Name
Need space for pages about e-learning resources	Thu, 2014-11-13 23:13	Normal	Open	Bug	Anonymous (not verified)
LET mailing list for our committee members	Thu, 2014-11-13 23:13	Normal	Open	Bug	manuelcorpas
email addresses of BTN technical people	Thu, 2014-11-13 23:12	Normal	Open	Bug	manuelcorpas
Moving content from BTN to GOBLET	Thu, 2014-11-13 23:11	Normal	Open	Bug	Anonymous (not verified)
LET Committee webpages set up	Thu, 2014-11-13 23:10	Normal	Open	Bug	Anonymous (not verified)
• Provide a mechanism for trainers to share their areas of expertise (Standards)	Thu, 2014-11-13 23:09	Normal	Open	Feature Request	Anonymous (not verified)

# Stats 13-Nov-14

- 72 members
- 72 training materials
- 16 course pages

# Ongoing

- Exploring avenues for increasing technical resources
- Inclusion GOBLET dev in BioJS plan

# Future ideas for discussion (Free)

- Boost training portal
  - Opening upload of materials
- Collaboration TeSS
  - Exporting web content as web service
- Establish contact with NIH
  - They are interested in GOBLET
- SASI
  - Vocabulary workshop

# Future ideas for discussion (Cost)

- Contextualising training information with ELIXIR service registry and/or software discoverability index
  - 2,000 euro for a 2 month intern
- Committee Intranet Space
  - 1500 euro
- Short video tutorial to provide content
  - 200 euro

# Thanks

- The Technical Committee
- ALL OF YOU
